

French @ TPPS Term 2

FRENCH IMMERSION PROGRAM UPDATE

Bonjour

Term 2 has been a busy term for everybody and the market was a highlight for all families at TPPS. We hope you got to come along and enjoy the day!

We take this opportunity to say goodbye to 2 of our French Immersion families who are leaving this term — the Baalbergen family who are moving to France and the Musgrave family who are relocating to Adelaide. It has been a pleasure to have you in our school community and we wish you all the very best with your next adventure. We will stay in touch with the children through skype and penpal communication each term. Looking forward to hearing about their experience with French education in other parts of the world.

We are pleased to let you know that we will enrol two new French families in the coming months. I am sure you will join us in making them feel welcome in our school community :)

FIP Parent / Teacher Interviews

French Parent/Teacher interviews will be held in Week 7 on Tuesday 1 June and Thursday 3 June. If you haven't already booked with Mme Robbins, please email her your preference.

Prissé Radio

Students will participate in a regular collaboration with a French school radio program organised by students from l'école du Prissé a Bayonne in France.

Our first interview with the station will take place in the next fortnight—a link will be emailed so that you can tune in and hear our students speak. The children will take it in turn to participate. The radio show is broadcast on Fridays. More information regarding the program, can be found on the attached flyer.

Concours de la Francophonie

Students competed in the concours de creation poétique in celebration of Francophonie week in March.

The competition was hosted by Lycée Condorcet, AAFEBs and aefe (Agence pour l'enseignement français a l'étranger).

We are delighted to announce that our Kindergarten 'Nuage'

submission won first prize! Participating in French initiatives outside our school is a fabulous opportunity for us to broaden the French education experience of our students.

High School Pathway

As we look to the future for our students, we are in the process of developing a pathway to high school and are pleased to have commenced a relationship with both Woollooware High School and Kirrawee High School. Their enthusiasm to support our children and the school endeavours is very encouraging. We have had visits from the teachers of both schools and will commence interaction with the children later this term. Year 3 will visit Kirrawee HS on Tuesday 8 June with Mme Robbins, Mr Nobbs and Mrs McLean.

Bastille Day

We are excited to be able to celebrate Bastille Day in the school term this year as it normally falls in the school holidays. Woollooware HS students will join us for this event, including several revolution activities to entertain the children on the day.

Les Petits Vagabond

Our school has been approached by French based educational provider, Le Petits Vagabond. Their initiative promotes all languages to children on a global scale. They have asked us to be the host of the Australian partnership and we look forward to participating in June.

Merci et a bientôt ☺
